

## LETTER OF COMPLETION

Congratulations,

This letter confirms that you have completed Modules 1 and 2 of the **Fundamentals of Tobacco Interventions (FTI)** online course, presented by the Training Enhancement in Applied Cessation Counselling and Health (TEACH) Project, Centre for Addiction and Mental Health (CAMH).

This online course included the following learning objectives:

1. Describe the impact of tobacco use on clients.
2. Screen and assess each client for tobacco use.
3. Describe how to use motivational interviewing with clients who are ambivalent about quitting.
4. Explain and provide brief tobacco interventions.
5. Identify pharmacological interventions available for tobacco cessation.

If you have any questions related to the **Fundamentals of Tobacco Interventions (FTI)** online course or any other programs offered by the TEACH Project, please e-mail [teach@camh.ca](mailto:teach@camh.ca) or visit our website at [www.teachproject.ca](http://www.teachproject.ca).

Sincerely,  
The TEACH Project
